Planted species information present.

Include information required in original map; WCC boundary, new roads, tracks and fences, grid reference, access points, and scale bar.

Strata distinguished using different coloured points.

Points are labelled with plot number

Species	Spacing (m)	Stratum
Sitka spruce	2.0	1
Mixed Conifer	2.5	2
Oak	3.0	3
Mixed Broadleaf	3.0	3

Strata defined using species and spacing.
